

PRE-NUPTIAL FUNCTION CHANDLER CANDIDATE

MISS JESSIE EVERETT HON-
 OREE AT LUNCHEON AND
 SHOWER

Mrs. Parkhurst Cory, 820 South Central Avenue, Glendale, gave a three-course luncheon followed by a miscellaneous shower for Miss Jessie Everett, whose engagement to Wm. H. Loucks of Los Angeles is announced. The guests were Misses Blanche Pierce, Nellie Miller, Alice Scheck, Laura Schaffler, Ella Gogin, May Fulton, Florence Moore, Elizabeth Perry, Mesdames Bogue, Fulton, Everett and Coleman, Mrs. R. J. Stetson of Auburn, Maine, Mrs. Minnie Quick of Denver, Colo., Mrs. Floy McCall of Long Beach, Mrs. Mary Reed of New York, Mrs. Howard Lampman of Williston, N. D.

The table was prettily decorated in purple and yellow with yellow streamers running from the chandelier to each place card. A miniature wedding party formed the centerpiece and dainty French bouquets were the favors. Esther Phillip and Margaret Lou Cory furnished the music.

Miss Everett is a teacher in the Los Angeles city schools and was formerly connected with the Los Angeles Public Library. She was the recipient of many lovely gifts.

MOTORING TO SAN DIEGO

Mrs. B. F. Cook of 334 West Harvard Street will pilot a party of ladies to San Diego, leaving today in her own car, unless the weather is too unfavorable. Her traveling companions will be Mrs. Will Dutton, Mrs. Clarence Redmond and Mrs. Ella Light, and their final destination will be Campo, where the parents of Mrs. Cook—Mr. and Mrs. Minter—are living. Mr. Minter is at work on the big Barrett dam up in the mountains beyond San Diego and the party will have a chance to test the mountain roads. They hope not to run into snow and are the more encouraged because the rainfall in that part of the state has been less than in Los Angeles County.

LIGHTNING, THUNDER, HAIL

The brief thunderstorm accompanied by a lively little hail storm yesterday noon seemed like a touch of the old home to Easterners. For half an hour the rain fell in torrents. In fact on Monday night and yesterday noon we had the hardest rains of the season and the results were seen in swollen streams and roads covered with sand and soil washed down from the fields. Several stretches of Kenneth Road were made almost impassable for a short time. The rainfall was much heavier in the northern than the southern part of the city. Lightning seems to have struck somewhere along the high tension system, as the power was off the trolley lines at intervals during the afternoon, causing great annoyance to the traveling public.

FOR STORM 2.28—FOR SEASON 15.63 INCHES

Mr. Preston's gauge showed the rainfall for yesterday's violent noonday storm to be .26 of an inch. The hail, which formed a considerable part of the falling moisture, could not be measured, as the stones bounced out of the cup as they struck, so there was really more of a saturation of the ground than is indicated by the gauge figures. The total for the season, according to Mr. Preston, was 15.63 inches, with 2.28 inches for the storm of March 20 to 23 inclusive. Last season's record at this time was 12.19. Mr. Bartlett's record showed .23 of an inch for yesterday, 2.22 for the storm and 14.96 inches for the season.

COUNTY COLLECTOR WELCH
 ARRANGES FOR LOCAL OFF-
 FICE AT CITY HALL

W. O. Welch, County Tax Collector, and deputies H. D. Alfonso and H. M. Jameson, called this morning at the City Hall to make arrangements whereby the residents of Glendale may pay their county and city taxes here in the City Hall beginning Monday, week after next, instead of being compelled to go to Los Angeles to do it. The tax collector will maintain an office here for five days.

WEATHER FORECAST: Fair to-
 night and Thursday.

TRUSTEE TO BE ELECTED AT
 UNION HIGH SCHOOL FRI-
 DAY, MARCH 26

Chas. L. Chandler, attorney, in response to the urgent request of many citizens of the Glendale Union High School District has consented to be a candidate for member of the board of education at the election to be held at the Union High School, Friday, March 26, 1920, between the hours of 8 a. m. and 6 p. m. The term of office of Dan Campbell, who has been trustee for twelve years expires, and Mr. Chandler is well qualified to assume the duties of this important office. It will be necessary for voters to write the name of Mr. Chandler on the official ballot, as the law requires that all names printed on the ballot must be filed five days prior to the date of the election. For many years Mr. Chandler has resided at 611 North Central Avenue but about a month ago moved to his newly purchased home on Canada Boulevard. He is the father of four children and is intensely interested in the welfare of the public schools.

GLENDALE GARDENS

There are many beautiful streets in Glendale but none more beautiful at present than North Louise. It is a street of attractive houses and well kept lawns. Among the gardens most worthy of mention is that of Mrs. S. N. Clark at 504. This is most unusual in its Japanese treatment and truly beautiful.

The lawn surrounding the home of O. O. Clark at number 346 is perfect and would be a credit to any street.

H. A. Strong at 336 has decorated his lawn with some beautiful shrubs and on one corner of his porch is a rose that is typically Californian in its wealth of bloom.

The homes and yards of Charles Farnham at 316 and of J. A. Neel at 302 are other pleasant appearing places as are many others which we have not the space to mention.

If every one who owns a home in this city would spend the energy and thought on gardens that the residents of North Louise Street have done Glendale would indeed be the City of Beautiful Homes.

MAD DOG SCARE

There was a call to police headquarters yesterday afternoon for an officer to hurry to 1501 South San Fernando Road to kill a mad dog. Arrived there the officer found a little Spitz dog frothing at the mouth and showing other marked symptoms of hydrophobia. One shot ended its career. Nothing had been bitten by it except possibly a goat and this will be watched for a while. The owner of the dog was a foreigner and the officer took down the name as given him, spelling it as it sounded, "Wanto Attention." There was considerable excitement in the neighborhood until the dog was disposed of.

RARE SHRUB

J. C. SHERER HAS ONLY SPECI-
 MEN OF FLAME BUSH
 IN THIS LOCALITY

City Clerk J. C. Sherer, who is a great lover of trees and whose home is at 717 South Verdugo Road, has a tree which is said to be the only one of its sort in this locality. It is known as the Australian Flame Bush, and it possesses some of the characteristics of the bottle tree, particularly in shape. It is about thirty years old with a trunk about a foot and a half in diameter and is but fifteen feet high. It has never been touched by frost except during the freeze of 1914, when it was almost killed, but recovered. It has been named the Flame Bush not because of brilliant blossoms but because at a certain time of the year when covered with new growth, one side of the leaves is reddish and in sunlight suggests flame.

TOURIST MUSICIAN

Robert H. Slicer of Finestale, Va., is registered at the Hotel Gray. Mr. Slicer is a musician of some note, being not only a clever entertainer but a composer as well. His best known number is "The March of the Eleventh Virginia," which was published in 1918 and has been played extensively by military bands since that time. Mr. Slicer is troubled with a temporary affection of the throat and has come to California hoping that the milder climate here will hasten his recovery. He is a nephew of Mrs. Charlotte Brackett of Los Angeles, formerly of 608 South Adams Street, Glendale.

CIVIL WAR TRUCE

ARMISTICE BETWEEN GOVERNMENT TROOPS AND WEST
 GERMAN COMMUNISTS

(Special Service to Glendale Evening News)

PARIS, March 24.—A 48-hour armistice between the west German communists in the Ruhr industrial district and government forces, has been arranged, a dispatch from Bielefeld in Westphalia said today. The armistice was arranged at a meeting between representatives of the Ebert government and the Ruhr communist commission. It is believed the communists were informed of the government's promise to Berlin radicals that the government will be reorganized with a purely socialist cabinet. In the event of further attacks by the Reichswehr troops, the Ruhr radicals threaten to flood all coal mines, the dispatch said.

ONE THOUSAND COMMUNISTS KILLED

VIOLENT FIGHTING TAKES PLACE BETWEEN "REDS" AND
 EBERT TROOPS

(Special Service to Glendale Evening News)

MAYENCE, March 24.—More than one thousand communists were killed in violent fighting between Ebert troops and "Reds" in the regions of Wesel, Gotha, and Hennesdorf, according to dispatches received here today. Fighting between Belgian troops and German "Reds" was reported in the Daisburg district.

SOUTH DAKOTA PRIMARIES

GENERAL WOOD LEADING AS REPUBLICAN PRESIDENTIAL
 CANDIDATE IN 53 COUNTIES

(Special Service to Glendale Evening News)

MITCHELL, S. D., March 24.—General Leonard Wood led in the republican primary elections in South Dakota early today. James W. Gerard appeared to be the democratic favorite. In reports from 53 of the state's 63 counties, Wood had a lead of approximately 4000 votes. Lowden and Senator Hiram Johnson were running close for second place with Lowden slightly in the lead.

FEDERAL TAX REVISION

PREDICTION THAT PRESIDENT WILL CLASH WITH CON-
 GRESS BY DEMANDING ACTION

(Special Service to Glendale Evening News)

WASHINGTON, March 24.—Another clash between President Wilson and Congress is in sight. Congressmen and administration officials expect President Wilson to insist upon the revision of the federal tax laws before the present legislative session ends. In the face of this House administration leaders let it be known today they have no idea of even allowing consideration of revision before the November elections. With a democratic administration and a republican congress thus opposing each other members of both parties foresee that tax revision may become one of the major campaign issues. That the country generally may go into the year 1921 without definite knowledge of the taxes it must pay is another circumstance forecasted as a result of the predicted conflict.

WAR ROMANCE

ENGAGEMENT OF MISS ANNA
 BODE TO CORPORAL ROY C.
 FLINT ANNOUNCED

On Monday evening at a delightful gathering of intimate friends, Mr. and Mrs. E. A. Bode of 138 N. Orange Street announced the engagement of their daughter, Miss Anna Bode, to Roy C. Flint. The happy man is well known in this city, having been a corporal in the 143d Field Artillery, of which organization quite a number of Glendale boys were members. Since his return from France he has made his home here and has been in the employ of the Crystal Ice Company.

Miss Bode, who was graduated from the Pasadena Hospital Training School for Nurses, also served her country as a Red Cross nurse. Both of the young people are members of Glendale Post No. 127 of the American Legion by reason of their war service. Their wedding will take place in June, no definite date having been set. They are receiving the hearty congratulations of their friends who are numerous.

MRS. RUSSELL ENTERTAINS

Mrs. M. L. Russell of 322 Riverside Drive was hostess Tuesday at a very pretty mid-day luncheon at which she entertained a few neighbors and close friends. Easter was suggested by the spring flowers used in decoration, jonquills centering the table, their container standing upon a mirror surrounded with miniature ducks and chickens. Pansy and lily designs featured the place cards. An informal social afternoon, during

which a guessing contest entertained the guests, followed the luncheon, the ladies present being: Mesdames Stephen Packer, A. S. Chase, William Farlander, Jr., William Farlander, Sr., P. O. Lucas, J. J. Fraser, G. Hinckle, George Squires, Robert Yost, Walter Stamps, Mrs. Klopp of Buffalo, N. Y., Mrs. Manbert and Miss Scott.

SPRING FUNCTIONS

Mrs. Louis P. Abell entertained members of the card club to which she belongs at her pretty home in the Atwater Tract Tuesday. Covers were laid for twelve, yellow dominating the color scheme carried out in appointments and menu. The use of roses and daisies in floral decoration suggested spring, which was emphasized in the floral designs upon the place cards. The luncheon was followed by a most agreeable afternoon over the card tables, the guests being: Mesdames Morehouse, Bensel, Eldridge, Grover, Metcalf, Arnold, Ryder, Shook, McGinals, Mrs. Gow of Pennsylvania, and Mrs. Chappell.

In the evening Mr. and Mrs. Abell entertained at dinner Mr. and Mrs. George Gow of Carnegie, Pa., and Mr. and Mrs. Francis Gow of Hollywood, and Mr. and Mrs. A. R. Chappell. A pleasant evening was spent by the party with music and cards.

Mrs. Fred Gilland of Winterset, Iowa, who has been the guest for a few months past of Mr. and Mrs. W. W. Worley of 525 North Kenwood and has been honored by a number of entertainments and functions by her hosts and others, starts on her return home tomorrow.

RESEARCH HOSPITAL

DR. MUNAUGHTON DISCUSSES
 NEED OF ADDITIONAL HOS-
 PITAL ACCOMMODATIONS

To the Editor of the Glendale Even-
 ing News:

As a director of the Glendale Research Hospital (incorporated), I wish to speak of the real necessity and the real advantages of this proposed institution. The offers of stock purchases so far received are so flattering that this communication seems unnecessary, except it is but fair to those who have come forward with offers of assistance, as well as to others, that the plan of conducting this institution be outlined.

The Glendale Research Hospital is needed by the people of Glendale themselves, and again, it will be a wise business investment for the people of Glendale, to utilize their superb surroundings and unequalled climate in providing modern health-restoring facilities for their less-favored neighbors at a fair and non-exorbitant rate, which can be done with a degree of profit.

Let us grant, for the moment, the desirability of such an effort as a social boon to the people of this city and pass on to the financial side of the question, embodying the propriety of the enterprise as an investment.

The colossal and ever-growing City of Los Angeles lies just beside us. We will estimate its population at 700,000 people. This does not include the tourist listing, which always will be with us, and it does not include the surrounding country, much of whose population is contributing now to the congestion of the Los Angeles Hospitals. To verify this congestion, just represent yourself as a patient and try to break into any hospital in that city.

The City of Los Angeles requires for its own use 7000 hospital beds. It has, by actual count, 257 beds. Every 100 people, it is estimated, require one hospital bed. This situation constitutes a serious menace to the public and private health and well-being of a community. There is an immediate need, therefore, of 4000 additional beds in or about Los Angeles. Reports verified today show that all these hospitals are full to overflowing, extra beds being placed in sun parlors, halls and recreation rooms, and the remaining sick are being cared for as best can be done in homes, hotels and rooming houses, while they should be in hospitals.

Pathetic conditions are especially shown as to maternity cases, in many of which, only expert hospital service can safeguard the lives of mother and child. These conditions are but the natural result of the growth of Los Angeles and environs. Doctors and patients are crying loudly for more hospital room. Where is it to come from? This re-

DEATH OF W. G. WATSON

W. G. Watson, one of Glendale's pioneer citizens, passed away at his home, 126 N. Cedar street, shortly before noon today. Mr. Watson was 78 years of age and had resided continuously in Glendale for thirty-five years.

THIRTEEN YEARS OLD

BIRTHDAY OF MISS LOIS NAU-
 DAIN CELEBRATED WITH
 EASTER DINNER

A dainty celebration of the thirteenth birthday of Miss Lois Naudain was provided by her mother who entertained at an Easter dinner served to thirteen of her girl chums at six o'clock Tuesday night. Calendulas centered the table, the bowl in which they were contained paper in which candy Easter eggs were hidden and beneath which were the favors with strands of ribbon attached leading to the places of guests. In napkins and other appointments the Easter idea was carried out and the whole setting of the board was exceedingly pretty. The girls entertained were: Marcella Webb, Carmel De Lara, Winifred Parker, Margaret Brown, Sarah Chandler, Emmalaura Cooper, Mary Stanley, Catherine Delgado, Virginia Thom, Dorothy Potter, Dorothy Houston, Lucile Allen, Edith MacIntyre, and the little guest of honor.

Following the dinner the girls had a jolly evening of music, dancing and games, the celebrant receiving many pretty birthday remembrances.

GUEST FROM PITTSBURG

MRS. MATTISON B. JONES EN-
 TERTAINS MRS. OLIVER
 HERSHMAN

One of the disappointments of the combined business and pleasure trip which Mr. and Mrs. Mattison B. Jones enjoyed last summer in their tour of the East was their failure to accept an invitation to visit Mr. and Mrs. Oliver Hershman of Pittsburgh at their summer home on the New Jersey coast. Mr. Hershman, who is a client of Mr. Jones, is one of the millionaires of Pittsburgh and owner of the "Pittsburg Press," a paper which has the distinction of carrying the second largest amount of liner advertising of any paper in the world, Mrs. Jones says. Pressure of business made it impossible for the tourists to visit the Hershmans. Tuesday afternoon, however, Mrs. Jones had the pleasure of a telephone call from Mrs. Hershman informing her that she was in Los Angeles and was coming out to see her. The ladies spent a delightful afternoon together, as Mrs. Hershman is a woman of charm and culture who has been a great traveler and who is an accomplished musician. She spent seven years in study abroad and has traveled all over Europe. It is the more gratifying, therefore, to have her declare, as she did yesterday, that in all her traveling she has never seen anything to compare in beauty with the California coast. She announced that next winter she is coming here to spend three months.

Colonel Hershman is a man prominent in many ways in Pittsburgh. He was on the governor's staff under four different regimes. As stated, he has developed a big and influential journal for which he has found it necessary to provide a larger plant and for the purpose has just purchased a site which has cost him \$750,000. Like his wife, he is simple and unaffected in manners and has a delightful personality. He and Mrs. Hershman are here on a combined business and pleasure trip for a short time only. They are so agreeably impressed with Southern California they would like to become residents, but have too many interests in the East to free themselves.

BRIDGE WASHED OUT

A bridge over the Los Angeles River which the city of Glendale built some time ago for ingress to Griffith Park was washed out by the rising flood Monday night and flood control workmen were unable to get across.

ARTISTS' EARNINGS

TUESDAY CLUB MEMBERS GIVE
 ENTERTAINMENT TO RE-
 DEEM THEIR PLEDGES

Five ladies united in the giving of an entertainment Tuesday afternoon to earn the funds they had pledged to the "earn a dollar" campaign for the Tuesday Afternoon Club. Mrs. Frank Ayars and her mother, Mrs. Needham, were hostesses, serving dainty refreshments, and a classy program was furnished by Mesdames Charles Parker, L. N. Hagood and Frank Arnold. About thirty guests patronized the affair and declared they more than realized their money's worth.

Besides the musical numbers were two fancy dance numbers, Mrs. Hagood executing the Jumping Jack Dance, Mrs. Parker at the piano, and Mrs. Arnold with the horn, furnishing the orchestral music. Mrs. Parker interpreted the "Goop Dance" in a dramatic manner which won more enthusiastic applause. Mrs. Arnold, Mrs. Hagood providing the difficult musical accompaniment.

The strictly musical program included vocal numbers by Mrs. Arnold, who sang "Deserted," by McDowell, and "The First Primrose," by Greig. Mrs. Parker and Mrs. Arnold sang in duet, "Night Winds at Sea," by Goring, and the three musicians sang in trio "Mammy's Lullaby."

Mrs. Hagood played "Fantasie Impromptu," by Chopin, and gave two piano solos.

Mrs. Parker's solo numbers were: "Chant of the Stars" (Hoberg) "Sylvia" (Oley Speaks) and "On the Day I Get to Heaven" (Leyman). The ladies realized in the neighborhood of \$10 from their jolly, artistic program and if all members of the club do as well there will be a goodly sum to be added to the club house fund. Reports are to be made at a party program which the club will enjoy on the 30th.

Personals

Mr. Welcome and his wife, who was formerly Miss Armstrong of this city, are planning to spend next week in Catalina.

Mrs. Louise Purnell of 353 Ivy Street left Saturday for Murietta Hot Springs in the expectation of being gone about two weeks.

O. S. Collin is having erected at the corner of Kenneth Road and Valley View Road a three-room temporary residence, to cost \$1000.

Miss M. C. Merritt of 210 South Louise Street has as her house guest Miss J. M. Davenport of Riverside. Miss Davenport will be here about a week.

Miss Pearl Wright of St. Louis, Mo., is the guest of her friend, Mrs. H. R. Major, of 707 East Colorado Street, and expects to be here until the first of May.

C. W. Stanton, manager of the Spirella Company of Great Britain, has returned to Letchworth, England. He has been spending the winter with his aunt, Miss Lydia J. Stanton, of Park Avenue, Glendale.

Mr. and Mrs. W. L. Marble, who moved from Myrtle Street to 505 North Maryland Avenue, a few months ago, like their new location very much. The mountain views from their present site are especially fine.

Mrs. H. G. MacBain of 614 East Lomita Avenue is entertaining this week her cousin, Miss Bessie Slaughter, of Los Angeles. Mrs. MacBain's father, J. W. Wulff, of Imperial Valley, is also her guest for a few days.

L. N. Hagood and wife are rejoicing over the near completion of their new seven-room residence at 214 North Orange. They are now living at 215 West Chestnut and expect to get into the new home early next week.

Mr. and Mrs. L. D. Maloney who formerly lived at 242 West Palmer Avenue have moved to a new location between Burbank and Roscoe. The house they vacated has been sold to new residents who have recently taken possession.

Will Casselman of 451 West Elk Avenue has been seriously ill of congestion of the liver but is slowly recovering. He had been working with one of the flood control gangs and held on two or three weeks longer than he should have, his doctor told him.

W. B. Fambrough and Mrs. S. J. Fambrough, his mother, are recent arrivals from Georgia. Mrs. Fambrough is visiting her daughter, Mrs. N. W. McBryde, but owing to his business Mr. Fambrough made but a short stay and is now on his return trip to Georgia.

Miss Gladys Justema of 140 N. Central Avenue, was the dinner and over-night guest of Miss Jessie Wilson of Los Angeles on Friday of last week. Mrs. E. E. McCalla and Miss Ruth McCalla of Hollywood were luncheon guests in the Justema home last Thursday.

Mr. and Mrs. R. P. Isitt who formerly lived at 724 South Maryland and who moved last September to 509 North Maryland, like their new location so much that they decided to make it permanent by buying the property, which they did a short time ago.

Robert D. Powers of Roanoke, Virginia, who has been a house guest at the home of R. M. McGee at 128 South Isabel Avenue, has decided to make Glendale his home and has accepted a position with a motor car company of Los Angeles. He is located at the Hotel Gray.

Dr. Susanne Isaac of Newton, Kansas, is the guest of her brother, G. G. Isaac of North Maryland Avenue. She has been on the way since last September and made stops to visit friends in the State of Washington and the northern part of this state. She will be here for some time.

Miss Vera McPherson who has been teaching in Bear Valley has a spring vacation due next week and members of her family are looking forward to her arrival Friday night or Saturday morning. Snow has been heavy in the mountains and she and Miss Hibben have had opportunity to become expert in the use of snow shoes.

Mr. and Mrs. J. T. Stewart moved Tuesday from 711 North Maryland Avenue to a new home they have just purchased at 346 West Doran Street. They had been trying to move for several days but waiting for a cessation of rain, but showers descended in greater precipitation than ever just about the time they were ready to make the change.

Mr. and Mrs. F. A. Stephenson of South Bend, Ind., who are guests of their aunt, Mrs. L. Cutler, of 220 North Louise Street, will visit Los Angeles, Hollywood and Santa Ana, leaving for their Indiana home on April first via Del Monte and San Francisco. Mrs. Stephenson has been in Glendale for the past two months, Mr. Stephenson having only recently arrived to accompany her home.

Geo. McDiel is having his residence at 1451 East Wilson Avenue moved to a different location on the lot and alterations made, the cost of the work to be \$1800.

Mrs. Forrest Rogers of 535 North Kenwood Street has as her house guest Miss Mary Douglas of Oxford City, Ohio. Mrs. Rogers has arranged several very enjoyable motor trips for the entertainment of her guest since her arrival. One of these is a trip to San Diego which they plan to make in the near future. Miss Douglas expresses herself as being charmed with California and Californians. She will remain here indefinitely.

MRS. G. K. BARNES ENTERTAINS FOOTHILL CLUB

Mrs. G. K. Barnes of 1311 North Brand Boulevard entertained the Foothill Club at the March meeting, held on the third Friday, which was the 19th. The report turned into the Evening News of this meeting erroneously gave her name as Mrs. G. K. Bond.

RESEARCH HOSPITAL

(Continued from Page 1)
sponsibility rests on the shoulders of the WHOLE COMMUNITY. The prevailing practice of requiring that the SICK shall pay for hospital buildings and equipment, as well as for operation and maintenance, is all wrong. They may pay for the latter, but the community should provide the buildings and equipment. If this is not a correct premise, why not ask those who have had losses by fire, to build the fire stations and supply the equipment and maintain the fire department, and why not compel those who are held up, robbed and maimed, to maintain the police department? Hospitals are life-saving stations of the most importance to the community. You, Mr. Reader, may be well today and disposed to give this subject no thought, but tomorrow you may be anxiously seeking admission to a hospital which has the sign displayed, "All rooms taken." Then, as hospitals exist for the life and safety of the community, why should not the people build and equip them? Those unfortunate enough to be sick will then be the clientele which will provide the patronage to sustain them, and with good management, to provide a fair dividend for investors, after making such improvements from time to time, as advanced research demands.

The DUTY of our citizens enjoying health is to provide this safeguard for the community. Some have said they don't care to go to hospitals when sick, but can employ a trained nurse and fight it out in their homes. Do they stop to consider that each one worthy of being termed a nurse received her training in some hospital—and practically the entire cost of training these nurses has been paid for by

CHRISTIAN CHURCH

(Louise and Colorado Sts.)

THE HOLY SPIRIT

EVANGELIST ROOT MAKES THIRD ELEMENT IN DIVINE TRINITY HIS THEME

A goodly attendance on the evangelistic service at the Central Christian Church Tuesday evening testified to continued and growing interest. A special feature of the excellent musical program was a vocal duet by Mrs. Floyd Mercer and Mrs. F. W. Pigg. The theme of the sermon preached by Evangelist Root was: "The Office and Personality of the Holy Spirit," and he held the absorbed attention of his auditors to the very close of the address. He employed scripture quotations to prove his point that the Spirit is a person, that it convinces and convicts of sin, that it grieves over the sins of Christians; that it is promised only to believers and never to sinners and that there has never been a baptism of the Holy Spirit since apostolic times. He held that the unpardonable sin is the persistent and final rejection by a sinner of every appeal from Father, Son and Holy Spirit, which latter, he declared, is in a sense the court of last resort.

the sick? That should not be. It is the duty of some one else. That our government had the advantage of the excellent training of the thousands of nurses who served so well during the late war is due to the hospitals of the country and the sick people of the country paid for it, as there was neither time nor place for governmental training, and then nurses proved tremendously efficient. There is no greater need or duty than this hospital need and duty, and where demand is so imperative, let me say that the safety of the investment is beyond question.

I therefore assume that a movement towards the organization of a Scientific Research institution in Glendale is one in the interests of Glendale, and should receive the necessary impetus from its citizens. It will make known to the American public, and to the Canadian public, and to all health-seekers that while Southern California is naturally destined by nature to be their mecca, the bright particular center to which they should gather in Southern California is in Glendale, for two reasons, viz: that it has the most enviable climate and surroundings and that it contains an institution equipped to give all that thorough diagnostic investigation can give, and that this institution is owned by the people of Glendale and conducted by them and that they are responsible to the strangers from without their gates in seeing that these exceptional facilities are granted to them at a fair and just price.

A hospital, properly equipped for research work accomplishes a work beyond the reach of the individual physician, because of the expense of such equipment, and because of the inability of any doctor to cover the whole field of diagnosis. But such a useful organization is not out of the reach of the COMMUNITY and this, a progressive collection of American people, has, by its stock subscriptions, so far freely offered, manifested its progressiveness as a community in providing, at nominal rates, the most valuable asset which any people can desire, a reliable and well-equipped social service enterprise, not devoted to the interests of any church, lodge or other organization, but a part of and under the control of the community at large which fostered it. Our Community Hospital plan has been favorably received by prominent medical men of Los Angeles, capable of and deeply interested in fields of investigation in their various special fields of endeavor, and these men have agreed to become members of our staff and to devote definite time to our work, as well as to become monetary stockholders in the enterprise. This assures us of a staff devoted to unselfish investigation, and whose professional attitudes in connection with this work, will be found to be sincere and tireless. The practice of medicine and surgery is unfortunately, unduly commercialized, and while the commercial physician may regard modern hospital methods as useless to him, the public do demand that their sick receive adequate diagnosis, and treatment founded only on such diagnosis. Our poor as well as our well-to-do, are entitled to the same consideration from our social service viewpoint and this rule will be adhered to in supplying laboratory and other investigatory services at a nominal fee, or without a fee, if needed, and by incorporating in our building sufficient ward room for those who cannot afford the luxury of private room accommodations.

It is appropriate to state that no enterprise embodying ideas of progress has a smooth path to travel. There are those in any community who prefer to have conditions remain as they are, and who fail to read the hand-writing on the wall of progress. We, perhaps, cannot look for participation in our efforts from such as these, but rather judge that the progressive element in the Glendale community is so much in the majority that as the hospital matter is more properly understood, it will receive a practically unanimous support.

J. A. McNAUGHTON, M. D.
Member Board of Directors,
Glendale Research Hospital.

Why Some People Do Not Patronize The Glendale Laundry

Because they think all laundries use hard water and chemicals that take the color from the clothes and eat the fabric, as well as remove the dirt. Because they don't know that the Glendale Laundry uses only soft mountain water and pure soap—that our process of cleansing removes the dirt with as little wear on the garment as would be possible in the home laundry.

Isn't soft water and pure soap a good combination?

MUCH SUNSHINE NEEDED FOR VEGETABLE GROWTH

The vital need of sunshine for the growth of vegetables in Southern California is curiously shown in a three-acre patch of cabbages along the north side of Kenneth Road, across from Jack Kipper's residence. A row of tall eucalyptus trees, set closely together so as to form continually an impenetrable wall of green, borders the front of Kipper's place, shading the cabbage patch across the road. The sunlight is cut off from the rows nearest the road, even at noon-day and in a varying degree further back, so that in the first 15 rows the plants did not head up. Back of these, especially where the sun shone full upon the plants, they came to full maturity and are big marketable heads.

Get Goodyear Tire Economy for That Smaller Car

Just as owners of the highest-priced automobiles get greater mileage and economy out of Goodyear Tires, so can the owners of smaller cars similarly enjoy Goodyear advantages.

The 30x3-, 30x3½-, and 31x4-inch sizes of Goodyear Tires are built to afford a money's worth in performance and satisfaction which only the utmost in experience, resources and care can produce.

This extraordinary money's worth begins not only with the merit of these tires, but also with the first cost, which in most cases is no greater, and sometimes actually is less, than that of other makes of the same types of tires.

Go to the nearest Goodyear Service Station Dealer for Goodyear Tires for your Ford, Chevrolet, Dort, Maxwell, or other cars taking these sizes. He is ready to supply you Goodyear Heavy Tourist Tubes at the same time.

30x3½ Goodyear Double-Cure
Fabric, All-Weather Tread..... \$23.50
30x3½ Goodyear Single-Cure
Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-
proof bag..... \$4.50

An Upland man advertised a valuable watch dog lost, and the next night his place was burglarized. That was one time it didn't pay to advertise.

Twenty-two sacks of cement left out overnight at Corona during the recent surprise rain naturally felt a little hard next morning at the way they had been neglected.

CHEAPEST IN THE END

You may take that suit to the tailor's a dozen times and ask him to try and remove the spots and brighten it up a bit, but he cannot do it. Dry cleaning is the only effective way. It costs a little more but then you have practically a new-looking suit. Bring it here next time.
